Due to the rapid rise in postage rates, Arcana Editions is no longer able to pay the postage on orders. Customers may fax us their order and tell us how they wish it to be sent (see above) and we will fax back a Pro Forma Invoice. The material will be sent immediately upon receipt of proof of payment.

Payment may be made as follows:

Canada: Prices in the catalogue are in Canadian Dollars. GST of 7% will be added to the bill

USA: Prices in the catalogue are in US Dollars. The rate between Canadian and US Dollars is now quite close, and it will be easier for American customers to pay in US currency.

Europe, Japan and All Other Countries: Prices are in Canadian Dollars. Payment may be made in various ways. By Money Order through the Post Office, or by International Bank Draft. Direct Wire payments may also be made by following the instructions at the end of this paragraph. For urgent orders, this is the fastest way to pay, but a \$15.00 charge must be added to your bill if you choose this method since this is what the bank charges us to process the transaction.

Customers may wire deposits directly into our Canadian account by following these instructions:
